

Seven styles, *one standard.*

Seven custom-designed and hand-built demo websites:
responsive, fast and polished. Each one targets a different
industry with its own visual identity.

02

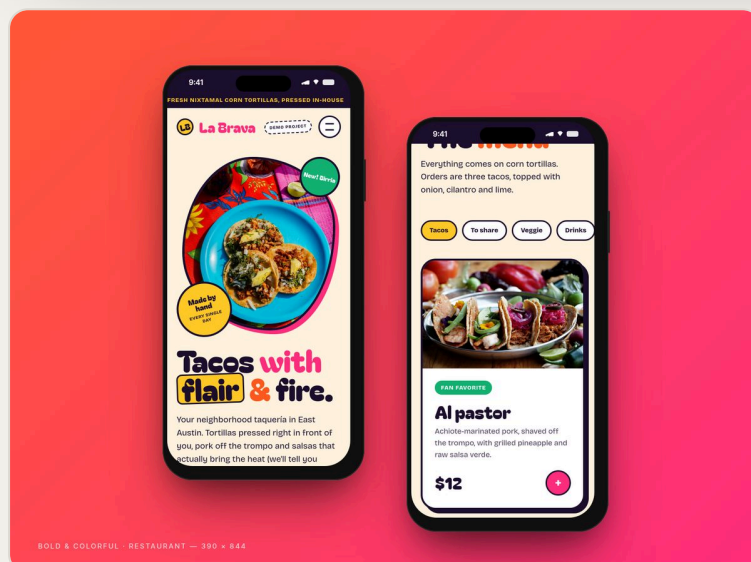

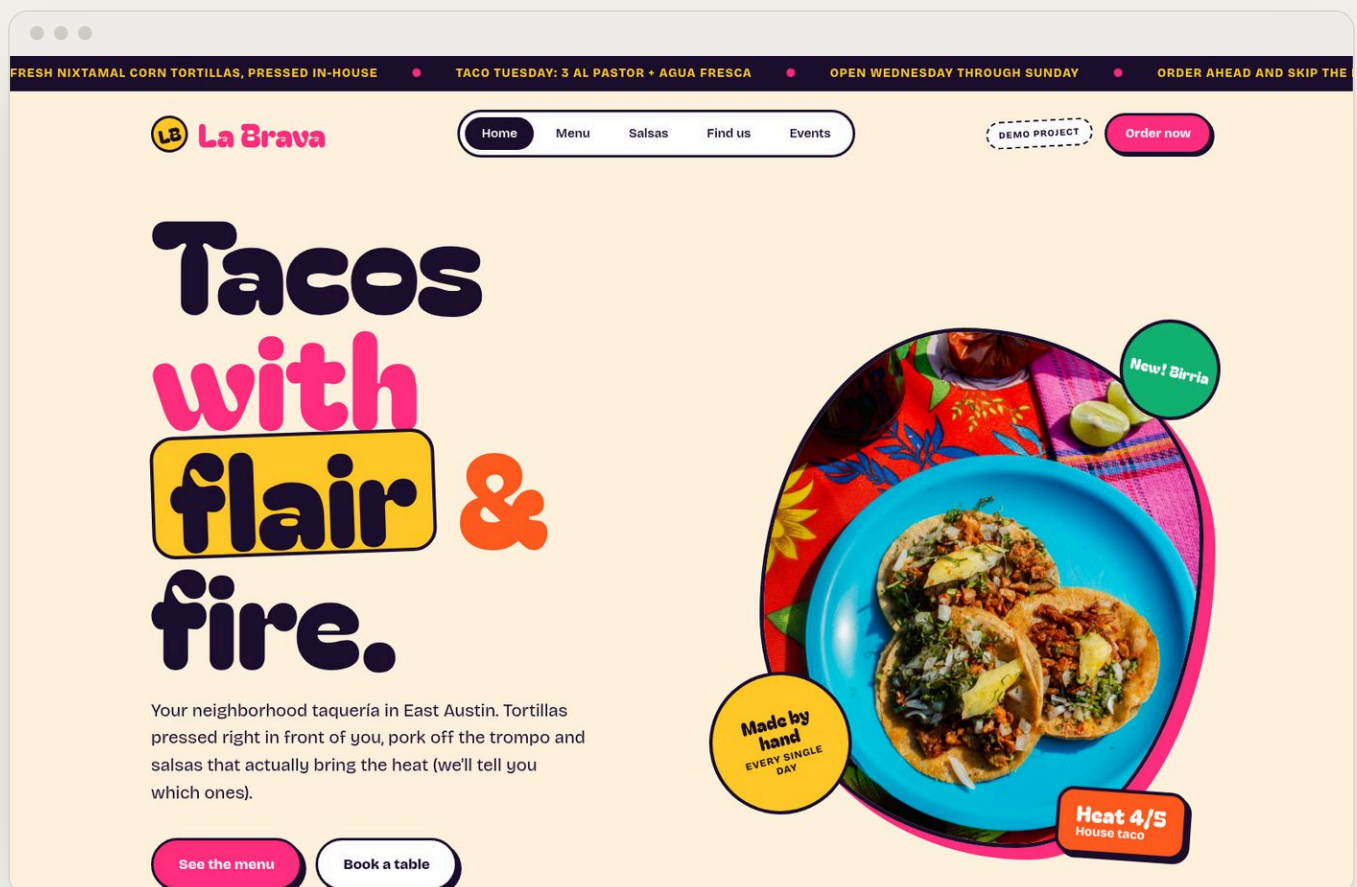

BOLD & COLORFUL

La Brava Taquería

Restaurant

Bold, colorful style: heavy type, vivid colors and graphic stickers. Full menu with a demo order-ahead flow, salsa heat levels, opening hours and a reservations & events page. Designed mobile-first.

03

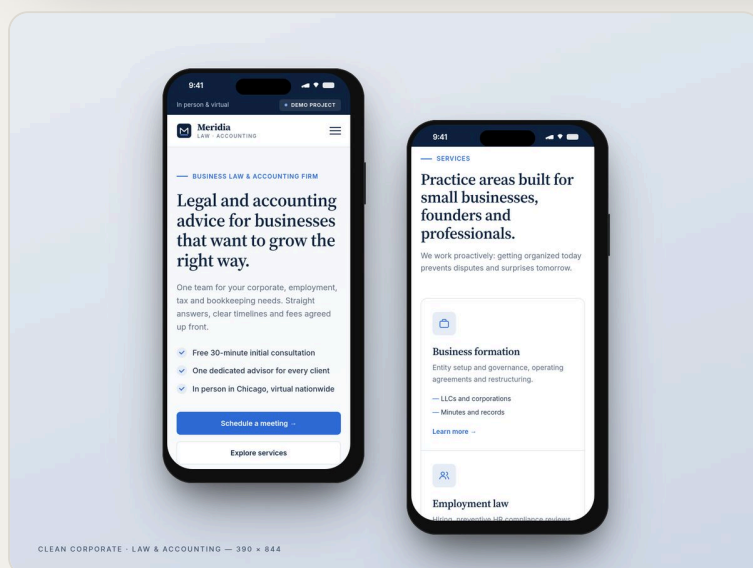

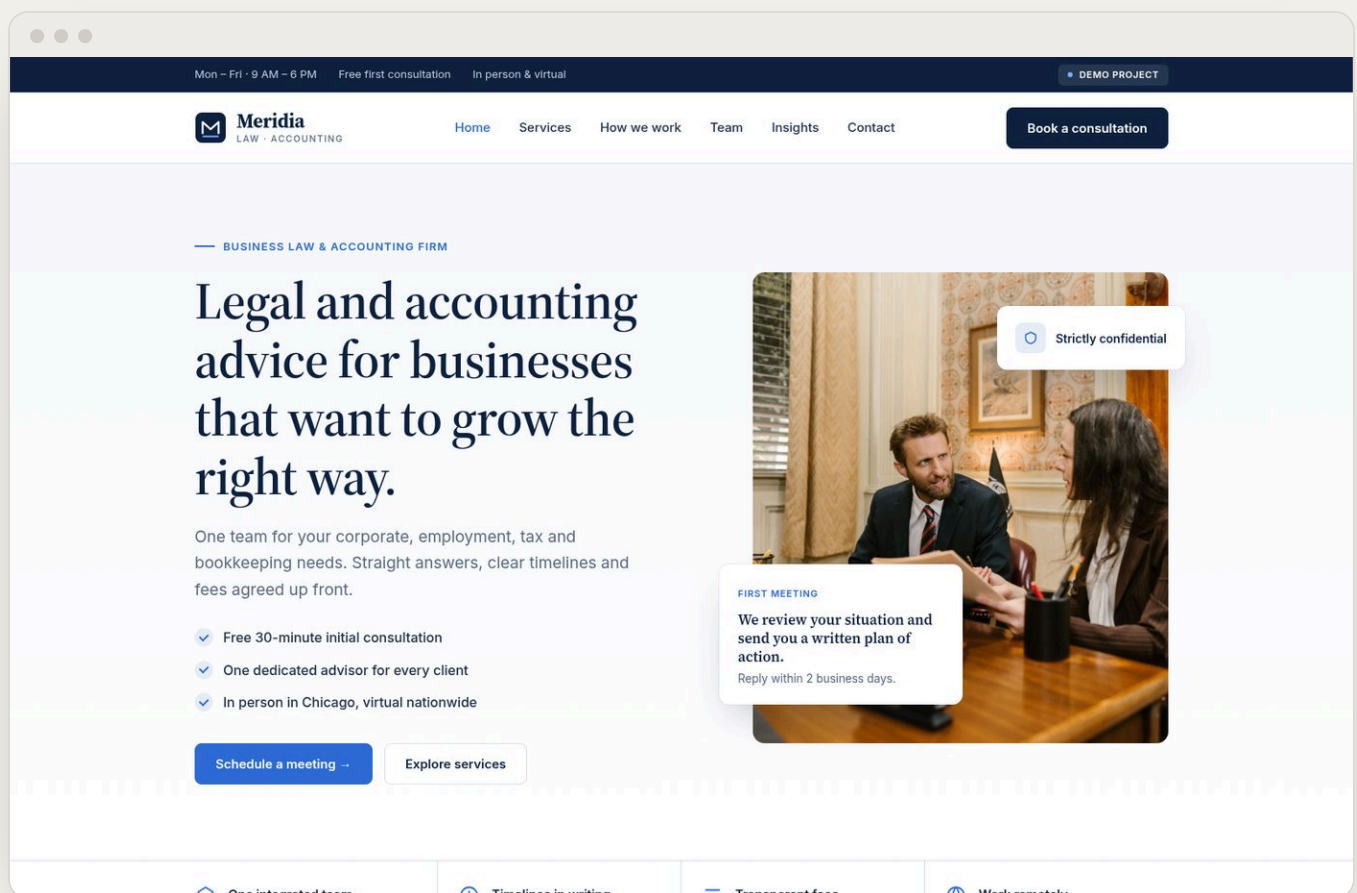

CLEAN CORPORATE

Meridia

Law & accounting firm

Clean corporate design in blue and white that builds trust. Services, about & team, filterable insights and a contact page, with clear hierarchy and visible calls to action.

Concept project (fictional business)

04

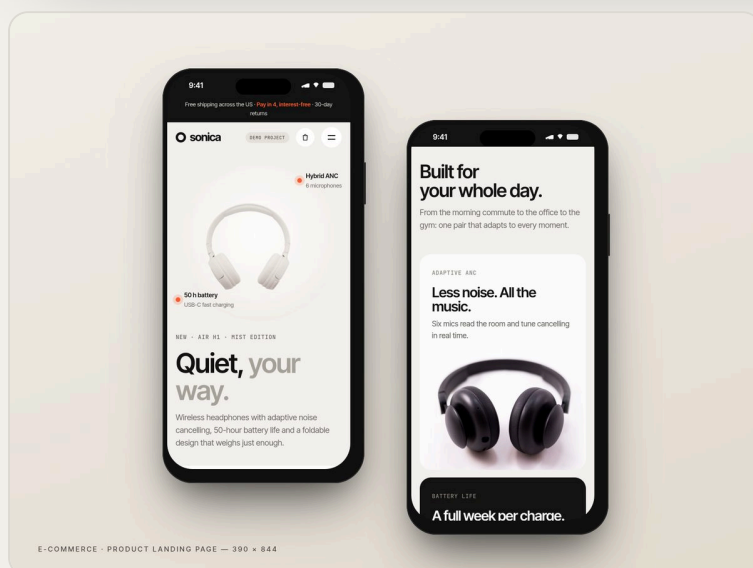

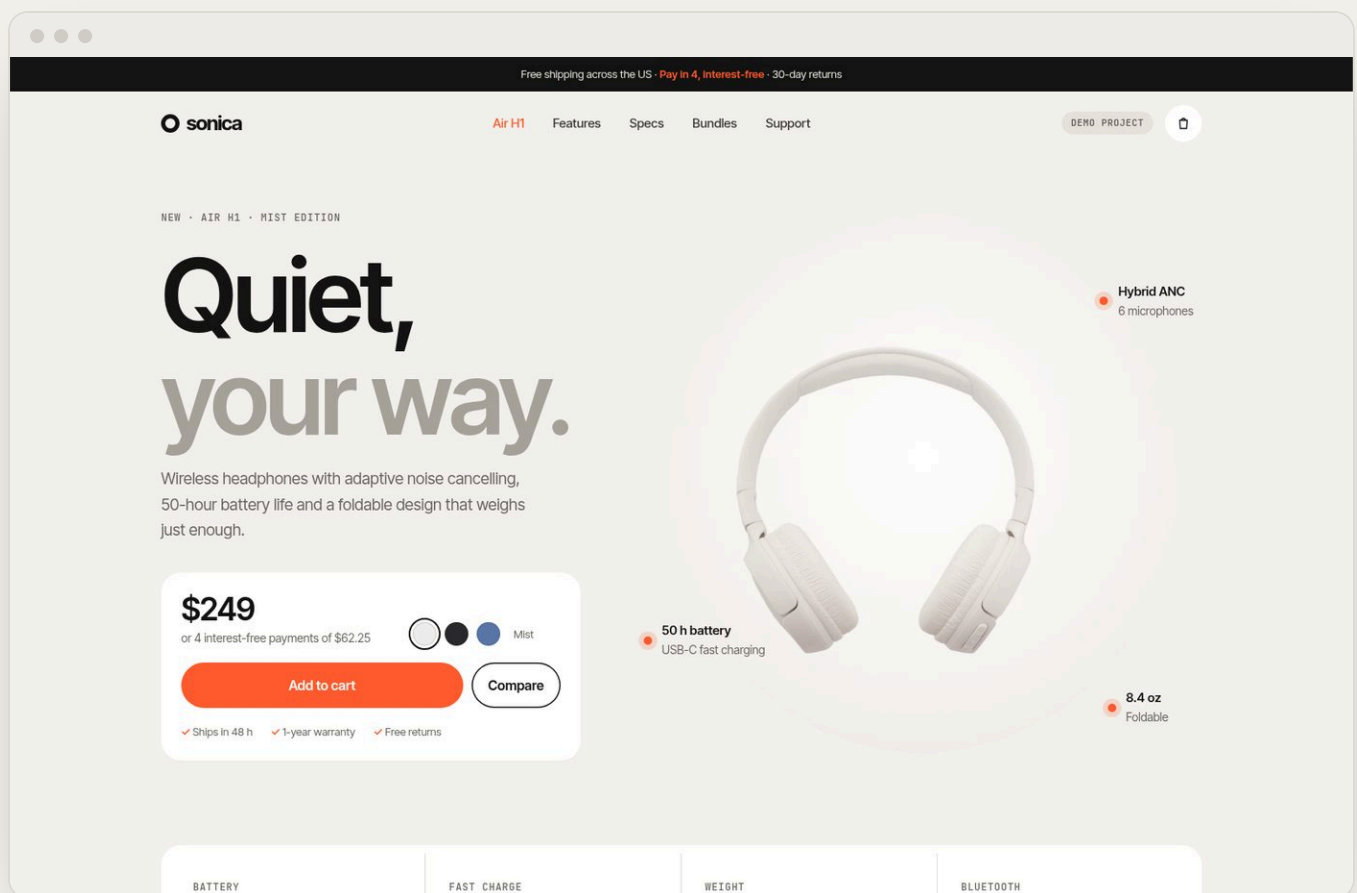

E-COMMERCE

Sonica Air H1

Product landing page

Minimal single-product store: color picker, bundles, specs, a comparison page, support center and a demo cart and checkout (no real payments).

Concept project (fictional business)

What every site includes

✓ Responsive

Looks and works great on phone, tablet and desktop.

✓ SEO basics

Titles, descriptions, semantic structure and social sharing metadata.

✓ Custom design

A visual identity built for your industry, no generic templates.

✓ Fast

Lightweight code, optimized images and quick loading.

✓ Direct contact

Contact form, booking button or online ordering, whatever suits you.

✓ Clear delivery

Agreed revision rounds and a site ready to publish.

Have a project in mind?

Contact me on the platform where you found me, and I'll reply with a concrete proposal.
